

CGFM MENTOR FORM

You are one of a select group of Certified Government Financial Managers who became certified by passing the CGFM examinations.

I'm sure you remember the stress involved in preparing for and sitting for the exams. There are many individuals who are in the same situation right now, and some have asked if there are any successful candidates who would be willing to share their experience of studying for the CGFM examinations.

Would you be willing to spend a little time helping those CGFM candidates reach their goal, the one you have already mastered? If this idea appeals to you, please fill out and return this form to us.

Important note: whether or not you decide to become a CGFM mentor, disclosure, in writing or orally, of the contents of any individual CGFM examination questions is strictly prohibited and is considered a violation of AGA's Code of Ethics.

[] Yes, I would like to become a CGFM mentor.

I understand that my name and contact information (email address and telephone number) may be published on the Tallahassee AGA website in the mentor list and will be given out to individuals who want to speak to a CGFM mentor.
